Dear Mr. Marcus,

Thank you for your letter of May 16, in which you say "if your book has merit it should be distributed through the regular commercial channels." I am happy to report this is now the case. It may be ordered from the District News Company of Washington, P.O. Box 1805. Mr. George Kasler if manager of the book department. It was introduced to this distributor by the manager of the Brentano's chain, who did indeed find merit in the book. I hope you will be able to find the time in an undoubtedly busy schedule to read it, not alone because you will also, I think, find merit in it but because as a public-spirited citizen of Dallas and of the country you will find information you may consider of value.

Now that the book is in the normal commercial channels, I do hope you will make it available to citizens of Dallas.

Sincerely yours,

Harold Weisberg
